Importance: High

Hi Jackie,

Attached was the signed PCR in response to your review request of five bean sheets. Shyam added Kerry's name in after the document was converted to PDF, which might make Bold "INTRODUCTION" overlap onto other texts in the first page. I don't think that it is really matter. Per your instruction, let you know I am going to close out 5 beans. Also please don't share Confidential appendix with the registrant due to proprietary right of Eurofins.

Thanks,
Dehui
